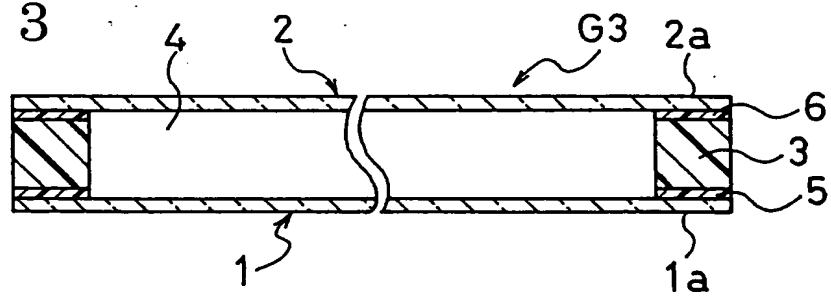

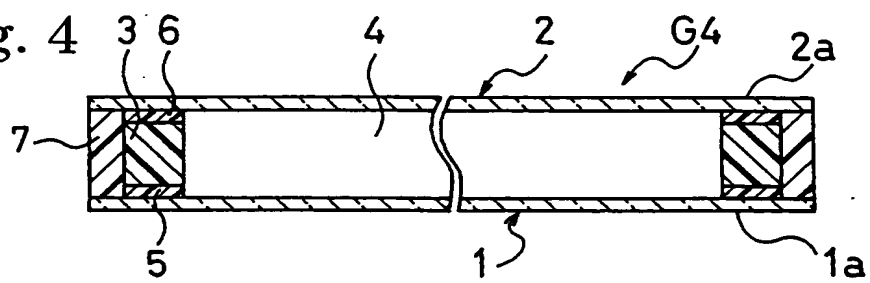

Fig. 4

A block diagram illustrating a system architecture. A large rectangular block labeled 11 contains a vertical rod-like structure. At the top of this structure is a square block labeled 15. At the bottom of the structure, within block 11, is a square block labeled 13. A dashed circle is drawn around block 13, with a dashed line pointing to it from the label 13. Two horizontal dashed lines extend from block 13 to the right, connecting to two separate square blocks labeled 17 and 19. Block 17 is positioned above block 19.
